

**EFFECTIVE**

November 1, 2017.

**Subject(s)****Administrative Policy Organizational Services (APO) 531,  
Information Technology (IT) Data Classification**

All Michigan Department of Health and Human Services (MDHHS) information systems managed, owned, or co-owned by MDHHS, its agencies, bureaus, committees and program areas must be classified as outlined in State of Michigan Department of Technology, Management and Budget (DTMB) IT Technical Policies, Standards and Procedures [1340.00.150.02 Data Classification Standard](#) using [DTMB-3544, Agency Business Owner Data Classification Declaration](#).

*Reason:* APO-531 is being added to the MDHHS policy manuals.
